

Job Title: **Behavioral Health Provider**

Reports to: Clinic Director (of designated clinic)

FLSA Status: Exempt

Version Date: February 2020

JOB SUMMARY

The behavioral health position is a critical component to the flow of the Recovia program as well as the success of patients. A skilled mental health professional will assist the clinical team in identifying potential hurdles to recovery and promoting coordination of care. This position often acts as a patient advocate and, at times, a liaison between outside and/or referring clinicians. This position involves on-going communication with the Behavioral Health team, Physical Therapy team, and Medical team. In addition, the Behavioral Health Provider typically directs individual therapy, group therapy, incorporates family and social support systems, and promotes peer relations among patients. Recovia is open to all types of behavioral health modalities but prefers CBT and EMDR therapies.

ESSENTIAL FUNCTIONS

- Provides group and individual therapy full time
- Utilizes Recovia, LLC modules in treatment and provides psychoeducation on these topics
- Conducts Patient Evaluations to assist in determining candidacy for the program
- Conducts pre and post assessments to track progress and gains made while in the program
- Assists in the coordination of care across disciplines which includes communication with the Medical team, Physical Therapy team and the Behavioral Health team
- Maintains caseload and helps to direct treatment plan for patients
- Attends all team and patient-related meetings for coordination of care
- Maintains contact with referring physicians or outside providers and family members when appropriate
- Performs other related tasks and duties as assigned

SKILLS & QUALIFICATIONS

- Active license required
- LCSW, PH.D. or PSY.D. Preferred
- Knowledge of the physical and psychological effects of chronic pain preferred
- Experience working with patients who have chronic pain preferred
- Experience working with patients who have substance use issues preferred
- Strong communication skills to work effectively in a multidisciplinary team
- May be required to lift materials weighing up to 25 lbs.
